Building Cadet – Commercial Construction Industry

An opportunity has arisen for a talented Building Cadet to join our commercial construction team in a traineeship capacity.

We offer a wide range of construction training, across Estimating, Project Administration and On site experience. The successful candidate will spend an extended time in each Dept while they are obtaining their chosen construction qualification.

We are an established and award-winning Commercial Construction company located on the Northern Beaches of Sydney. Our projects range from $500k - $10Million

The duties and responsibilities for this role will include:

- Measuring and compiling BOQ’s from drawings and specifications.
- Compiling packages for subcontractors
- Liasing and negotiating with subcontractors
- Reporting to Senior Estimator/Project Manager/Site Supervisor, during the traineeship
- Looking for competitive advantages to incorporate into our tenders and projects
- Meeting tight deadlines and managing your workload

The successful candidate will require the following:

- Excellent communication skills (both written and verbal)
- Excellent time management and multi-tasking skills
- Sound knowledge of building techniques
- Experience in Commercial Construction sector (at least 1 year)
- Experience in Hard dollar tendering
- Be a willing team player
- Be well organised and able to meet strict deadlines

This role will provide an excellent springboard to your future career development. The successful candidate will acquire a wide range of construction knowledge, and be supported, trained and mentored by senior management of the company. We value personal development and consider it vital to the ongoing success of the Company.

If you want an exciting and challenging role working on diverse and interesting projects, and you are career-focused and willing to learn, please apply by sending your resume and cover letter to

The successful candidate will be able to gain valuable industry experience whilst completing their degree. We are a flexible company that will ensure your study commitments are fulfilled.

If you are interested in this role, please apply in writing, together with a current CV and cover letter to info@carfax.com.au
